

CMGA Grapevine

November, 2005

From the Outgoing Prez: Where do I start? We have enjoyed another great year. First, let me thank the 2005 CMGA officers, Matt Starcevich, VP, Calvin Hunt, Treas. and Montie Broome, Sec. There were the contributions of Jennis Staude, the Golf Shop Staff, Jim Gray, Zack Hamilton, Gary Thompson, and Jim Wood. Gary Wilkie and his crew^ust get Better and better. Course conditions were the best they have ever been. And lastly, I want to thank Mike Ballard, our Play Day Chairman, for all his support. Nobody spends more of his time in support of CMGA activities than Mike. Many thanks to all of them. Our season would not have been possible without them and many others who gave their time to help out...space (and my memory) does not allow listing all of them.

We also had a great deal of support from Sandy Hunt and the CLGA. They were just great to work with this year.

We had cook-outs every month this year. We owe thanks to Tony Jezek and his crew from UBS, to Craig Eubanks, and Jarrod Chancy from ANPAC. They put on some of the best cook-outs we have had.

We have a great new list of Officers:

| | |
|-----------------|----------------|
| Matt Starcevich | President |
| Wayne Anderson | Vice President |
| Calvin Hunt | Treasurer |
| Montie Broome | Secretary |

They were elected the last play day in October. I hope Matt and his team will enjoy the support from everyone that I have had. Have a good winter. See you in the spring. Jim

From the new Prez: I want to thank my new team for volunteering to serve in 2006. We hope to put together a program that will rival, and hopefully, surpass last years program. We know that we can't succeed without your support. I hope that when asked, you will be able to help. We'll be putting together our schedules for the new year soon. If you have any suggestions, let me know. **Matt**

Mike Ballard, Play Day Chairman: it's pretty safe to say that 2005 was one of our best golf seasons ever...great weather all summer, record prize money (\$7000+), multiple winners (in addition to Fike, Hauger, Chrisman, Wilson, et al,) challenging formats, outstanding after-play eat outs, and best of all, the good times we shared on Friday

afternoons.

Work has already begun to make next year's schedule even better. Obviously, Matt Starcevich will continue the CMGA tradition of great leadership from the top.

Also, it's important to note how much help we get from Jim Gray, Zack Hamilton, and Gary Thompson in the Pro Shop. Believe me, nothing happens without their help and continued support.

And finally, we should all thank Gary Wilkie and his guys for the great condition of the golf course. There is not a golf course in the area in better shape, overall, than ours...not one! What a great place to live and play golf!

Golf teaches that, although patience is a virtue, slow play is not. See you in the Spring.
Mike.
